

## SILVER BELLS

Dear Parents/Guardian:

November 21, 2011

Pierrepoint School's SILVER BELLS program, sponsored by the Student Council and PTA, will begin on November 28, 2011. The SILVER BELLS program provides needy families in our school and community with items such as warm clothing and special wish list gifts for the children. (These families, as always, will remain confidential.)

The Student Council and Service Club under the direction of Mr. Breheney, Ms. Frattarola, Mr. Helphingstine, and Ms. Scrimenti will be collecting money in special SILVER BELLS canisters located in all homerooms. Please encourage your children to donate any change they can to help provide gifts for our families in need. The canisters will remain in all homerooms until Friday, December 16.

If you would like to buy a specific item, or need additional information, please call Milissa Else at 201-804-7636. You may also send in a monetary donation. Please send in your check, payable to Pierrepoint School PTA, in a sealed envelope marked 'SILVER BELLS.' The money collected will also be used to purchase grocery gift certificates for families. We will be accepting donations until December 16.

This special program has been a great success in the past and we thank the Pierrepoint Community who has always been so generous. As always, thank you for your anticipated generosity and continued support in this year's SILVER BELLS program.

On behalf of the SILVER BELLS committee, we wish you all a healthy and happy HOLIDAY SEASON!!!

Sincerely yours,

Milissa Else  
PTA Silver Bells Committee
