

TERMINATION AND RESIGNATION

The Board of Education will enter a contract with each nontenured teaching staff member providing, in part, for the termination of employment by either party. The Board will terminate the employment of a nontenured teaching staff member, on notice duly given, when it is in the best interests of the school district and the employee that it do so.

The Board will determine whether to permit the member to continue to perform services during the period between the giving of notice and the date of termination. A member who offers insufficient notice of termination will be paid only through the last day of service. The contract of a nontenured teaching staff member may be terminated at any time for cause and without notice by the Board.

The Board shall notify the Commissioner of Education of any tenured teaching staff member who terminates his or her position without having given sixty days' notice to the Board without the express permission of the Board, and the certificate of any such member may be suspended by the Commissioner.
