

**PAYROLL DEDUCTIONS**

The Board of Education shall, in accordance with law or employee authorization, make deductions from an employee's paycheck and remit the amounts deducted to the agent designated by the employee.

Deductions will routinely be made as required for federal income tax and social security; New Jersey income tax, unemployment assistance, and emergency transportation tax; and by the New Jersey Division of Pensions.

Deductions may also be made, provided they have been duly authorized by the employee, for health service and group insurance plans, participation in a summer payment plan, tax sheltered annuities approved by the Board (maximum of six) and bona fide organizational dues.

No Board employee shall withhold or pay to another or purchase or have assigned, other than by court order, any compensation for the services rendered by an employee of this district.
