

NONDISCRIMINATION/AFFIRMATIVE ACTION

The board of education guarantees to all persons equal access to all categories of employment, retention and advancement in this district, regardless of race, creed, color, national origin, ancestry, age, sex, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, atypical hereditary cellular or blood trait of any individual or nonapplicable disability.

An affirmative action/equity program shall be a part of every aspect of employment not limited to but including upgrading; demotion or transfer; recruitment or recruitment advertising; renewal or non-renewal; layoff or termination; rates of pay or other forms of compensation including fringe benefits; employment selection or selection for training and apprenticeships; promotion; or tenure.

The board-designated affirmative action officer shall identify and recommend correction of any existing inequities, and any that occur in the future.

Harassment and Favoritism

The board of education is an affirmative action employer and holds all its employees responsible for maintaining a working environment that is free from all discriminatory practices. Harassment or favoritism on any basis included in the board's statement of equal access to employment, retention and advancement is prohibited.

Administrators and supervisors shall be familiarized with the actions which constitute harassment and favoritism. This material shall be included in the legally mandated affirmative action inservice training for all employees, and shall be clear and specific (see policy 2224). When harassment has been determined to have taken place, appropriate disciplinary action will follow. All such determination shall be reported to the board.

Sexual Harassment

The board of education shall maintain a working environment that is free from sexual harassment.

Administrators and supervisors will make it clear to all staff that sexual harassment is prohibited. No supervisory employee shall threaten or insinuate, either directly or indirectly, that an employee's refusal to submit to sexual advances will adversely affect the employee's continued employment, evaluation, compensation, assignment or advancement. No supervisory employee shall promise or suggest, either directly or indirectly, that an employee's submission to sexual advances will result in any improvement in any term or condition of employment of an employee. Sexually harassing conduct committed by nonsupervisory personnel is also prohibited.

Staff may file a formal grievance related to sexual harassment. The Affirmative Action Officer will receive all complaints and carry out a prompt and thorough investigation and will protect the rights of both the person making the complaint and the alleged harasser.

Findings of discrimination in the form of sexual harassment will result in appropriate disciplinary

action.

The board prohibits discrimination or retaliation against any school employee who does any of the following:

- C. Objects to, or refuses to participate in any activity, policy or practice which the employee reasonably believes is in violation of law, rule or regulation; is fraudulent or criminal; or is incompatible with public health, safety or welfare or protection of the environment.

The board shall ensure that notices are posted conspicuously in each school, informing employees that they are protected under the "Conscientious Employee Protection Act."

Report on Implementation

The chief school administrator shall devise regulations, including grievance forms and procedures to implement this policy. He/she shall be responsible for informing staff annually of the identity and location of the affirmative action officer and the implementing procedures.
