

WEAPONS AND DANGEROUS INSTRUMENTS

The board of education prohibits the possession and/or use of firearms, other weapons, or instruments which can be used as weapons on school property, on a school bus, at any school function, or while enroute to or from school or any school function.

For the purpose of this policy "weapon" includes but is not limited to those items enumerated in N.J.S.A. 2C:39-1r. "Weapon" means anything readily capable of lethal use or of inflicting serious bodily injury. The term includes, but is not limited to, all (1) firearms, even though not loaded or lacking a clip or other component to render them immediately operable; (2) components which can be readily assembled into a weapon; (3) gravity knives, switchblade knives, daggers, dirks, stilettos, or other dangerous knives, bilies, blackjacks, bludgeons, metal knuckles, sandclubs, slingshots, cesti or similar leather bands studded with metal filings or razor blades imbedded in wood; and (4) stun guns; and any weapon or other device which projects, releases, or emits tear gas or any other substance intended to produce temporary physical discomfort or permanent injury through being vaporized or otherwise dispensed in the air.

The principal shall make the final determination that a particular object is a dangerous instrument in any case where there is a question of its possession or use posing a threat to students, staff or property.

Any pupil who is convicted or adjudicated delinquent for possession of a firearm or a crime while armed with a firearm or found knowingly in possession of a firearm on any school property, on a school bus, or at a school-based function shall be immediately removed from the school's regular education program pending a hearing before the board to remove the pupil from the regular education program for a period of not less than one calendar year.

The principal/designee shall be responsible for the removal of such a pupil and shall immediately report the removal to the chief school administrator. The chief school administrator may modify a pupil's removal on a case-by-case basis. The principal shall also notify the appropriate law enforcement agency of a possible violation of the New Jersey Code of Criminal Justice.

A student found or observed on school property or at a school event in possession of a weapon or dangerous instrument other than a firearm shall be reported to the principal/designee immediately. The principal shall immediately inform the chief school administrator/designee and appropriate law enforcement officials with all known information concerning the matter, including the identity of the pupil involved.

WEAPONS AND DANGEROUS INSTRUMENTS

The chief school administrator shall determine at the end of the year whether the student is prepared to return to the regular education program in accordance with procedures established by the Commissioner of Education.

Disciplinary action shall be taken against students who possess, handle, transmit or use firearms, other weapons, or dangerous instruments. Classified students shall be disciplined in accordance with their IEP and in compliance with law and administrative code. As in all disciplinary cases, due process will be provided (see policies 5114 Suspension and expulsion and 5131 Conduct/discipline).

A violence and vandalism report shall be filed whenever a student is found to be in possession of a firearm, other weapon, or dangerous instrument.

Remotely Activated Paging Devices (Beepers)

No student shall bring or possess a remotely activated paging device on any property used for school purposes without the written permission of the Principal, unless he/she is an active member in good standing of a volunteer fire company or first aid, ambulance or rescue squad.

Student members of a volunteer fire company or first aid, ambulance or rescue squad may carry remotely activated paging devices provided that:

- A. The student is required to respond to an emergency, and
- B. A copy of the statement by the chief executive officer of the volunteer fire company or first aid, ambulance or rescue squad authorizing the possession of the paging device is in the possession of the student at all times while the student is in possession of the remotely activated paging device.

Implementation

The board directs the chief school administrator to develop regulations to implement this policy.
