

## SUMMER READING

### HONORS ENGLISH 300

You will be reading Mary Shelley's Frankenstein during your summer vacation.

\* Do some background research on Romanticism using either books, or the internet. Take notes on the information that you find.

\* Be able to define Romanticism, and be able to name some major British authors who were considered Romantics.

\* Find out the background information on Mary Shelley's creation of Frankenstein itself.

\* As you read the novel, I would like you to take notes on each chapter, including the letters at the beginning of the novel.

\* Keep all of your notes, as you will be bringing them to school on the second day. You will use them while we discuss the novel.

HAVE A GROOVY SUMMER!
