

MEMO TO: All Students Entering Grades 9-12 in September 2008

FROM: Mrs. Lori Dernelle, Supervisor Language Arts Literacy

RE: SUMMER READING 2008

As in the past, the summer reading program is **mandatory**.

Your assignment is to read one book and complete a graphic organizer for that book. Your organizer will be due Wednesday, September 3. After discussion with your teacher, you will be writing a book review or character analysis in class on either Thursday, September 4 or Friday, September 5. Book titles and the organizer are posted on line at the Board of Education web site. Log on to www.rutherfordschools.org and click on the Board of Education button. Look for the SUMMER READING section. Here you will find the following: information on the Summer Reading Program; lists of books depending upon your grade level next year; a graphic organizer; the HSPA rubric which will be used to grade the essay you will be writing on the second or third day of school.

If you have any questions, please contact Mrs. Lori Dernelle at (201) 438-7675 ext. 232 or email lder@rutherfordschools.org.

Have a wonderful summer!
