

June 2009

Dear Students and Parents/Guardians:

Summertime is reading time. With that thought in mind, we have revised and expanded the suggested summer reading list and attempted to find books for each of you, even if you are at different reading levels and have different interests.

This year, our Summer Reading Lists are once again located on-line at the Rutherford Board of Education web site. Just go to www.rutherfordschools.org, click on the Board of Education button and look for the SUMMER ASSIGNMENT section. Here you will find lists for grades 4-8. Print out the list for the grade you will be in on September 2, 2009.

All students entering grades four through eight are required to read one book. Please make sure that you choose one book from the grade level you will be in on September 2, 2009. In addition, you will be writing a book review on the second or third day of school in September. Included on-line is a graphic organizer for you to print out and fill in as you read. Print out the appropriate grade-level graphic organizer (there is one for grades 4 & 5 and another for grades 6-8). Bring your completed organizer to school on the first day. If you have any questions, ask your current teacher.

Have a wonderful vacation, and add to your summer enjoyment by reading!!
