

How You Can Help

REF is reaching out across the country to invite Rutherford High School alumni and members of the community with current graduates to participate. We encourage you to purchase a brick as a

- Graduation commemorative
- Remembrance of a student's achievements
- Faculty member tribute
- Class celebration

Most importantly, we hope you will want to show your family's support for a quality education and the Rutherford Tradition. The Alumni Walk will be paved with bricks measuring either 4" x 8" or 8" x 8" (your choice). Samples may be viewed at the main office of the High School or visit the REF website at

Alumni Walk Project

HONOR THE TRADITION

The Alumni Walk Project offers you a chance to leave a bit of history behind while helping to improve the future of our school. The Alumni Walk is being built with paver bricks engraved with the names of our alumni classmates' who walked our halls, danced and sang on stage, and played on our fields. Students, faculty, alumni, family and friends may purchase and personalize bricks to be used to pave the walk at the entrance to the High School. Alumni Walk is an opportunity to honor faculty, family and friends, commemorate special achievements or design a personal keepsake.

CONTRIBUTING OUR SHARE

The REF has funded many innovative programs through its fundraising activities. Please take a few minutes to review our website at (www.rutherfordschools.org/ref) to see the many educational and extracurricular activities that the students of Rutherford have had as a direct result of the funds raised through the REF. The Alumni Walk is a multi-year program that will continue through the completion of all three Elliott Place walkways.

Alumni Walk Paver Order Form

Text can be imprinted onto the brick up to 13 spaces per line, 3 or 6 lines per brick. The REF will have final approval on the text and will determine the placement of the bricks. Bricks will be installed in phases when weather permits.
