

PROJECT GRADUATION - 2011

Dear Parent/Guardian:

Project Graduation (PG) is a nationally recognized drug and alcohol free night of celebration sponsored wholly by parents/guardians of the graduates. Rutherford has been providing this night for their graduates since 1997. The event is held at a “secret location” such as an all inclusive party hall. The graduates are taken by bus at about 10 p.m. after Graduation to spend a fun-filled night of activities, food and memory making that will last a lifetime! We want to make sure we give our children this same opportunity to celebrate together in a safe environment (chaperoned by parents).

PG – 2010 cost approximately \$250.00 per student. The funds are entirely raised by the parents/guardians of the graduating class along with the PG committee. To do this, a variety of activities are held to raise the money including student contributions, fund-raising events as well as corporate donations.

Now is the time to send in your form and \$125.00 deposit to reserve a spot for your student. We want every member of the Class of 2011 to be a part of this special celebration. If you are having any financial difficulties at this time, please call your Guidance Counselor at the high school so we can arrange other options.

We need your support to make this a successful event! Let’s do this for our children. Statistics show that an alarming number of alcohol and drug related accidents/tragedies happen on graduation night across the USA. As a community, we need to make sure this does not occur by giving our children a lasting, memorable and safe night with their classmates.

Enclosed is the **PROJECT GRADUATION 2011** Parental Permission Form. Send it in today along with the \$125.00 deposit!

After January 1, 2011 the deposit will go up to \$150.00

Thank you for your time and support,
THE PROJECT GRADUATION 2011 COMMITTEE
