

Dear Union School
Students and Parents,
You're invited to attend...

Union School's Family Math Night

Union School's Family Math Night is an exciting night where students and parents explore the intriguing world of mathematics by engaging in hands on and virtual mathematical activities.

Each student attending will receive a special math manipulative to use at home!

Tuesday March 2nd 2010

6:30 - 8:00 P.M.

Location: Union School Cafeteria

Please fill out the form on the bottom and return to your homeroom teacher by February 18, 2010

Please give this portion to your homeroom teacher.
