

GRADE 4 AND 5 WINTER HOLIDAY SONG TO BE MEMORIZED

#7 Hearts Around the World

(from the musical revue Paint the Town December)

Hearts around the world.
Hearts beating as one
Hearts around the world
Will show the way

Pray for the peace of a distant land
Share in the hope that we'll understand,
With our heart and soul we will reach the goal
of hearts around the world.
Peace good will t'ward men
Hearts around the world
Will sing as one

Everyone giving the world to see
Everyone living in harmony
Singing one by one
We have just begun

With hearts around the world
Hearts beating as one
Hearts around the world
Will show the way for lasting peace on earth
Of peace on earth
