

USE OF THE PUBLIC ACCESS TELEVISION

The Superintendent of Schools is empowered to establish such regulations for the school district as are meaningful and necessary to take full advantage of the television system while protecting the rights and interests of all citizens and the employees and students of the school district.

The Superintendent and/or his designee shall be responsible for determining if there are individual specific objections to being photographed. This will be subject to the following guidelines:

- a. Events which are open to the public will not require that releases be signed by the students or staff participants.
- b. Events which are not open to the public will require that appropriate administrators determine if any participants have been expressly prohibited from participating.
- c. At the beginning of each Board meeting that is to be broadcast, the President of the Board will notify the public of same.
- d. Tapes completed for broadcast will be generally broadcast without editing or abridging.
- e. In situations where confidentiality may be at issue, the Superintendent of Schools is authorized to edit such sections of the broadcast tape.
- f. Copies of the Broadcast tape will be made available to the public at cost within two weeks of receipt of a written request for such tape.
- g. No such cameras or recordings shall be allowed at closed sessions of the Board.
