

CERTAIN STAFF MEMBERS NOT TENURED

It is the policy of the Board of Education that certain teaching staff members be employed on an annual contract basis with the proviso that renewal is a prerogative of the Board.

It is not the intent of the Board to provide tenure status to any employee in these categories:

1. Evening and adult school part-time administrators and teachers not steadily employed.
2. Extra curricular and other extra pay duty.
3. Bedside instructors not steadily employed.
4. Summer school teachers.
5. Any other employees for whom tenure provision is not made in law.
