

PHYSICAL EDUCATION AND HEALTH

The board directs that the district's curricular and extracurricular programs of physical education and activities comply with the district's affirmative action resolution and equity plan for school and classroom practices as stipulated in policies 2224, 5145.4, 6121 and 6145 in this manual. The board shall ensure that the comprehensive health and physical education curriculum addresses all elements required by the Core Curriculum Content Standards.

General Provisions

In general, physical education classes shall not be divided on the basis of sex. The quality and quantity of teachers, equipment and facilities shall be equivalent among the schools and comparable from level to level, taking into account the needs of the pupils.

Dating Violence

For students in grades 7 through 12, the health curriculum will include the topic of dating violence. "Dating violence" means a pattern of behavior where one person threatens to use, or actually uses physical, sexual, verbal, or emotional abuse to control a dating partner.

The dating violence education shall include information on the definition of dating violence, recognizing dating violence warning signs, and the characteristics of healthy relationships.

Upon written request to the school principal, a parent/legal guardian of a student less than 18 years of age shall be permitted within a reasonable period of time after the request is made, to examine the dating violence education program instruction materials developed by the school district.

The purpose of the dating violence information is to help prevent dating situations from becoming unsafe and to help educate young people on constructive ways to resolve conflicts in personal relationship.

To be consistent with P.L. 2011, c. 64, school policy, procedures and curriculum will include the following information:

- A. Dating violence will not be tolerated;
- B. Dating violence reporting procedures;
- C. Guidelines for responding to at-school incidents of dating violence;
- D. Discipline procedures specific to at-school incidents of dating violence;
- E. Warning signs of dating violence; and
- F. Information on safe, appropriate school, family, peer, and community resources available to address dating violence shall also be included within the curriculum.

Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED)

The board of education shall provide instruction in cardiopulmonary resuscitation and the use of an automated external defibrillator to each student during high school (in grades 9, 10, 11 or 12). The instruction shall be provided to each student prior to graduation as part of the district's implementation of the

PHYSICAL EDUCATION AND HEALTH

Core Curriculum Content Standards in Comprehensive Health and Physical Education. The board may select a no-cost, non-certification instructional program to meet this requirement.

The instruction provided shall:

- A. Be modeled from an instructional program established by the American Heart Association, American Red Cross, or other nationally-recognized association with expertise in instruction in cardiopulmonary resuscitation and the use of an automated external defibrillator; and
- B. Include a hands-on learning component for each participating student.
