

SPECIAL EDUCATION

School district officials and staff shall adhere to all regulations included in N.J.A.C. 6A:14-1.1 et seq. and the following:

SPECIAL EDUCATION - LOCATION, IDENTIFICATION, AND REFERRAL

All students with disabilities, who are in need of special education and related services, including students with disabilities attending nonpublic schools, and highly mobile students such as migrant and homeless students regardless of the severity of their disabilities, are located, identified and evaluated according to N.J.A.C. 6A:14-3.3.

A. Procedures for Locating Students with Disabilities

1. The Supervisor of Student Services will coordinate the child find activities to locate, identify and evaluate all children, ages three through twenty-one, who reside within the school district or attend nonpublic schools within the school district and who may have a disability.
2. By October of each school year, the Supervisor of Student Services or his/her designee will conduct child find activities, in the native language of the population, as appropriate, including but not limited to:
 - a. Development of child find materials for distribution.
 - b. Broadcasting of child find information on the school district cable television station. (if applicable)
 - c. Distribution of flyers to the parents of all students enrolled in the school district.
 - d. Mailing of child find material to nonpublic schools in the area.
 - e. Mailing of child find material to local pediatricians, hospitals and clergy.
 - f. Public service announcements on the local foreign language radio stations and cable television stations.
 - g. Public service announcements in local newspapers.

SPECIAL EDUCATION

- h. Distribution of child find materials in supermarkets, convenience stores, shelters for the homeless, public and private social service agency locations and nursery school providers.
- i. Mailing information letters to local physicians, hospitals, nursery schools, non-public schools, health departments, community centers, rescue squads and churches.
- j. A guide to preschool services for potentially disabled children ages three to five is made available to Rutherford via the school's Office of Student Services.
- k. Posting of State developed child find materials in the Office of Student Services for potentially disabled students and/or early intervention program.
- l. Training of home school advocate/school community liaisons or others to assist in the identification of potentially disabled students.
- m. Listings of Early Intervention Program (EIP), local nursery schools and pediatricians are maintained. The district's preschool coordinator (or other) maintains contact with EIP coordinator and nursery school director.
- n. Information is distributed through the Parent Advisory Committee.
- o. School handbooks distributed to parents contain information describing special education services.
- p. Distribution of information to the school district's ESL/Bilingual teachers describing child find activities.
- q. Students entering Kindergarten are screened to identify students who may have a disability.
- r. Intervention and Referral Services Committees (I&RS) have been established in all school buildings.

SPECIAL EDUCATION

3. No later than October 1 of each school year the Superintendent's designee will contact by mail the administrator of the nonpublic school(s) to request input from nonpublic school parents and officials for suggestions on ways to conduct child find activities for students attending nonpublic schools.

The child find activities for nonpublic students shall be comparable to the child find activities for public school students.

The following individual(s) shall serve as representatives from nonpublic schools:

School	Title of the Individual Representing the Nonpublic School
St. Mary High School	Administrator
The Academy at St. Mary	Administrator

Based on the suggestions from the representatives of the nonpublic schools and parent(s), the Supervisor of Student Services will modify the child find activities for the next school year, as appropriate.

B. Procedures for Intervention in the General Education Program

A staff member or agency shall provide in writing a request for intervention services for students ages three to eighteen, (indicate ages of students present in the school district) to the Building Principal or designee. The request shall contain the following:

1. Reason for request (including parental or adult student request);
2. Descriptive behavior of student performance; and
3. Indication of the prior interventions.

Teachers and other school professionals, as appropriate, will be in-serviced annually by the Building Principal or designee regarding the procedures for initiating and providing interventions in the general education program. The parent(s) will be informed of the procedures to initiate interventions in the general education program.

SPECIAL EDUCATION

The Superintendent or designee will oversee the district's implementation/evaluation of the interventions identified.

A Response to Intervention Committee (RTI) will be in place in each school building pursuant to N.J.A.C. 6A:16-8.1.

The Building Principal or designee will be responsible for the following:

1. The implementation and effectiveness of building level RTI Committee;
2. Will identify the roles and responsibilities of building staff who participate in planning and providing intervention services; and
3. Review, assess and document the effectiveness of the services provided in achieving the outcome identified in the intervention plan.
*Sample forms are located in the Resource Manual for Response to Intervention published by the NJDOE.
4. The RTI Committee shall:
 - a. Plan and provide appropriate intervention services;
 - b. Actively involve the parent(s) in the development and implementation of intervention plans;
 - c. Develop an action plan for an identified student which specifies specific tasks, resources, persons responsible, completion dates, date for review;
 - d. Coordinate the services of community based social and health provider agencies;
 - e. Process and complete the documentation forms;
 - f. Review and assess the effectiveness of the services provided in achieving the outcomes identified in the intervention and referral plan; and
 - g. Ensure the type, frequency, duration, and effectiveness of the interventions are documented.

SPECIAL EDUCATION

5. The Building Principal will insure that:
 - a. RTI Committee receive in-service training by the Building Principal or designee by October each school year;
 - b. Staff handbooks are updated by September and include information regarding intervention procedures;
 - c. New instructional staff attend the district's orientation program commencing in the month of August which includes information on RTI Committee;
 - d. School calendars are distributed in the month of August and provide information on intervention services; and
 - e. Parent/student handbooks distributed in the month of September and include information on intervention services.

C. Procedures for Referral

Referral procedures are included in professional staff handbooks and referral forms are available in the Principal's office, the Child Study Team (CST) office, and the Office of Special Services.

1. Parental Notification of Referral Procedures

Referral procedures shall be included in the Student Handbook and on the district website. These procedures and publications shall be updated annually and be distributed to the parent(s) and appropriate social service and welfare agencies not later than October 1 of each year.

2. Parent Initiated Referral

When a parent makes a written request for an evaluation to determine eligibility for services:

- a. The written request shall be received and dated by the Office of Special Services;

SPECIAL EDUCATION

- b. The written request shall be immediately forwarded to the office of special services/special education;
 - c. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting and any forms used to open a case;
 - d. Upon receipt of the referral a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
 - e. The case manager will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date the request was received by the district;
 - f. A "Notice of a Referral/Identification Meeting" will be sent to the parent(s);
 - g. The notice will contain "Parental Rights in Special Education" (PRISE) Booklet; and
 - h. The referral/identification meeting will be attended by the parent(s), CST, and regular education teacher.
3. School Initiated Referral

Referral of a student to the CST may be made by administrative, instructional, or other professional staff to determine eligibility for special services when:

- a. It is determined (optional: through the RTI Committee) that interventions in the general education program have not adequately addressed the educational difficulties and it is believed that the student may be disabled.
- b. It can be documented that the nature of the student's educational problem(s) is such that an evaluation to determine eligibility for services is warranted without delay.

SPECIAL EDUCATION

- c. The teacher, through in-service training, shall ensure that students are referred who may have a disability, but are advancing from grade to grade.
 - (1) A student with a disability, who is advancing from grade to grade with the support of specially designed services, may continue to be eligible when:
 - (a) As part of the re-evaluation, the Individualized Education Plan (IEP) team determines that the student continues to require specially designed services to progress in the general education curriculum; and
 - (b) The use of functional assessment information supports the IEP team's determination.

The following procedure will be followed for a school initiated referral:

- a. A referral to the CST will be completed by the referring staff member;
- b. RTI documentation including, but not limited to: teacher reports, grades and other relevant data (optional: the intervention record) shall be forwarded with the referral to the CST along with any other relevant data;
- c. RTI documentation does not need to be forwarded for direct referral when the nature of the student's problem is such that the evaluation is warranted without delay;
- d. The referral should be dated upon receipt by the CST;
- e. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting;
- f. Upon receipt of the referral, a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;

SPECIAL EDUCATION

- g. The case manager will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date recorded on the referral;
 - h. A "Notice of a Referral/Identification Meeting" will be sent to the parent(s);
 - i. The notice shall contain "Parental Rights in Special Education" (PRISE); and
 - j. The referral/identification meeting will be attended by the parent(s), CST, and regular education teacher.
- 4. The district may use community rehabilitation programs approved by the New Jersey Department of Labor, Division of Vocational Rehabilitation Services or any other State agency empowered to accept secondary level student placement according to N.J.A.C. 6A:14-4.7(i).
 - 5. Each evaluation of the student requires an assessment to determine appropriate post-secondary outcomes as part of transition services planning.
 - 6. Each IEP Team member is required to certify in writing whether the IEP Team report reflects his or her conclusions. In the event the IEP Team report does not reflect the IEP Team member's conclusion, the IEP Team member must submit a dissenting opinion in order to ensure the parent(s) is aware of dissenting opinions regarding the determination of eligibility for a specific learning disability.
 - 7. The parent(s) must receive a copy of their child's evaluation report and any documentation leading to a determination of eligibility not less than ten calendar days prior to the eligibility conference in order to ensure the parent(s) has a reasonable amount of time to review documentation prior to an eligibility conference.
 - 8. A student may be referred directly to the Child Study Team when warranted.

SPECIAL EDUCATION - FREE AND APPROPRIATE PUBLIC EDUCATION

SPECIAL EDUCATION

A free and appropriate public education is available to all students with disabilities between the ages of three and twenty-one including students with disabilities who have been suspended or expelled from school.

Procedures regarding the provision of a free and appropriate public education to students with disabilities who are suspended or expelled are as follows:

1. School officials responsible for implementing suspensions/expulsions in the district are the following: (List school officials/designees by district organizational level.)
 - a. ___ Grades Nine – Twelve Principal/Vice Principal or designee;
 - b. ___ Grades Six – Eight Principal/Vice Principal or designee;
 - c. ___ Grades Pre-Kindergarten – Five Principal/Vice Principal or designee;
2. Each time a student with a disability is removed from his/her current placement for disciplinary reasons, notification of the removal is provided to the case manager by the Principal or designee. (Notification must be in written format for documentation.)
 - a. Removal for at least half of the school day shall be reported via the Electronic Violence and Vandalism Reporting System.
3. Each Principal or designee will ensure that a system is in place to track the number of days a student with disabilities has been removed for disciplinary reasons. Documentation will include:
 - a. Student's name;
 - b. The infraction;
 - c. Time suspended; and
 - d. The cumulative days suspended including removal for a portion of the school day which is counted proportionately.
4. When a student is suspended from transportation:

SPECIAL EDUCATION

- a. Suspension from transportation is not counted as a day of removal if the student attended school.
 - b. Suspension from transportation is counted as a day of removal if the student does not attend school.
 - c. If transportation is included in the student's IEP as a required related service, the school district shall provide alternate transportation during the period of suspension from the typical means of transportation.
 - d. Suspension from transportation may be counted as a day of absence rather than a day of removal if the district made available an alternate means of transportation and the student does not attend school.
5. When a student with a disability participates in an in-school suspension program, the Principal or designee shall ensure that participation in the program is not considered removal when determining whether a manifestation determination must be conducted if the program provides the following:
- a. Opportunity for the student to participate and progress in the general curriculum,
 - b. Services and modifications specified in the student's IEP,
 - c. Interaction with peers who are not disabled to the extent they would have in the current placement, and
 - d. The student is counted as present for the time spent in the in-school suspension program.
6. When a series of short-term removals will accumulate to more than ten school days in the year:
- a. The Principal/Vice Principal or designee and the case manager will consult to determine whether the removals create a change of placement according to N.J.A.C. 6A:14-2.8(c)2. Written documentation of the consultation between the school administration and the case manager shall be maintained by the case manager.

SPECIAL EDUCATION

- b. If it is determined that there is no change in placement, the Principal/Vice Principal or designee, the case manager, and special education teacher will consult to determine the extent to which services are necessary to:
 - (1) Enable the student to participate and progress appropriately in the general education curriculum; and
 - (2) Advance appropriately toward achieving the goals set out in the student's IEP.
 - c. Written documentation of the consultation and services provided shall be maintained in the student's file.
7. When a disabled student is removed from his/her current placement for more than ten days and the removal does not constitute a change in placement, the case manager shall convene a meeting of the IEP Team and, as necessary or required, conduct a functional behavior assessment and review the behavioral intervention plan according to N.J.A.C. 6A:14 Appendix A, Individuals with Disabilities Education Act Amendments of 2004, 20 U.S.C. §1415(k). The IEP Team shall:
- a. Review the behavioral intervention plan and its implementation;
 - b. Determine if modifications are necessary; and
 - c. Modify the behavioral intervention plan and its implementation as appropriate. The plan will be modified to the extent necessary if at least one member of the team determines that modifications are necessary.

The case manager will document the date and the outcome of the meeting.

The documentation shall be placed in the student's file.

Procedures Regarding the Provision of a Free and Appropriate Public Education to Preschool Age Students with Disabilities

To ensure that preschoolers with disabilities who are not participating in an early intervention program have their initial IEP's in effect by their third birthday, a written request for an initial evaluation shall be forwarded to the district.

SPECIAL EDUCATION

The following procedures will be followed:

1. A parent of a preschool-age student suspected of having a disability, who requests a Child Study Team (CST) evaluation by telephone, will be advised to submit a written request for an evaluation to the Preschool Coordinator or Supervisor of Student Services.
2. Upon receipt of the written request, the request shall be dated and signed by the recipient.
3. The district will respond to referrals of preschoolers according to N.J.A.C. 6A:14-3.3(e).
4. A file will be initiated for the potentially disabled preschooler:
 - a. The Supervisor of Student Services will convene a referral/identification meeting within twenty calendar days (excluding school holidays but not summer vacation) of the date recorded on the request;
 - b. A "Notice of Referral/Identification Meeting" will be sent to the parent(s);
 - c. The notice will contain "Parental Rights in Special Education" (PRISE) Booklet;
 - d. The meeting will be attended by the CST, including a speech language specialist, the parent(s), and a teacher who is knowledgeable about the district's program; and
 - e. A program shall be in place no later than ninety calendar days from the date of consent.

Procedures Regarding the Provision of a Free, Appropriate Public Education to Students with Disabilities Who Are Advancing From Grade to Grade

The Supervisor of Student Services, through in-service training, shall ensure students with disabilities who are advancing from grade to grade with the support of specially designed services, continue to be eligible when as part of a reevaluation, the IEP Team determines the student continues to require specially designed services to progress in the general education

SPECIAL EDUCATION

curriculum and the use of functional assessment information supports the IEP Team's determination.

Procedures Involving Procedural Safeguards to Students Not Yet Eligible For Special Education

Disciplinary procedural safeguards will apply to students not yet eligible for special education. The parent and/or adult student may assert any of the protections of the law if the district had knowledge the student was a student with a disability before the behavior that precipitated the disciplinary action occurred.

SPECIAL EDUCATION - TRANSITION FROM EARLY INTERVENTION PROGRAMS TO PRESCHOOL PROGRAMS

Children with disabilities participating in early intervention programs (EIP) assisted under IDEA Part C who will participate in preschool programs under N.J.A.C. 6A:14-1.1 et seq. will experience a smooth transition and will have an Individualized Education Program (IEP) developed and implemented according to N.J.A.C. 6A:14-3.3(e) and N.J.A.C. 6A:14-3.7.

Procedure for Child Study Team (CST) Member Attendance at the Preschool Transition Planning Conference

1. The district will make available a CST member to participate in the preschool transition planning conference arranged by the designated Part C service coordinator from the early intervention system and will:
 - a. Review the Part C Individualized Family Service Plan for the child;
 - b. Provide the parent(s) written district registration requirements;
 - c. Provide the parent(s) written information with respect to available district programs for preschool students, including general education placement options; and
 - d. Provide the parent(s) a form to use to request that the Part C service coordinator be invited to the child's initial IEP meeting.

SPECIAL EDUCATION

2. The district will work collaboratively with the EIP designated Part C service coordinator or early intervention system to eliminate barriers regarding meeting times and locations.
3. School district officials shall adhere to all procedures contained in N.J.A.C. 6A:14-1.1 et seq. for transitioning children with disabilities from EIP to preschool programs.
4. The Part C service coordinator shall be invited to the initial IEP meeting for a student transitioning from Part C to Part B.

SPECIAL EDUCATION – IN-SERVICE TRAINING NEEDS FOR PROFESSIONAL AND PARAPROFESSIONAL STAFF

The in-service training needs for professional and paraprofessional staff who provide special education, general education, or related services will be identified and appropriate in-service special education training will be provided by the district.

The district will maintain information to demonstrate its efforts to:

1. Prepare general and special education personnel with the content knowledge and collaborative skills needed to meet the needs of children with disabilities;
2. Enhance the ability of teachers and others to use strategies, such as behavioral interventions, to address the conduct of students with disabilities that impedes the learning of students with disabilities and others;
3. Acquire and disseminate to teachers, administrators, Board members, and related services personnel, significant knowledge derived from educational research and other sources and how the district will, if appropriate, adopt promising practices, materials, and technology;
4. Insure that the in-service training is integrated to the maximum extent possible with other professional development activities; and
5. Provide for joint training activities of parents and special education, related services, and general education personnel.

SPECIAL EDUCATION

SPECIAL EDUCATION - INSTRUCTIONAL MATERIAL TO BLIND OR PRINT-DISABLED STUDENTS

All students that are blind or print-disabled will be provided instructional materials in a timely manner in accordance with a plan developed by the district.

The plan to provide the instructional material to blind or print-disabled students in a timely manner will:

1. Be included in the Individualized Education Program of each student with a disability;
2. Set forth the instructional materials needed by the student;
3. Indicate how the instructional material will be provided to the blind or print-disabled student; and
4. Address any assistive technology needed to permit the student to utilize the instructional material to be provided.
