

Draw or write how you **independently** demonstrated Leadership. Those who wish to participate are asked to cut out and return the Rain drop to school by April 28, 2025.

A large, thick black outline of a rain drop, which is teardrop-shaped, serving as a container for text and drawing.

Name: _____

Teacher: _____

What I did for my let grow project:

The theme for April is for you and your child to identify an experience they can do independently that demonstrates
RESPONSIBILITY .

RESPONSIBILITY

April: Love Your Planet	Spend time outdoors, and take in all there is to notice, experience, and enjoy. Connecting with nature is a great way to grow your love for your planet, strengthen your sense of responsibility for your planet.
----------------------------	--

Ideas for April:

Personal Responsibility:

Folding clothes

Dressing yourself

Tie your own shoes

Organization

Putting away toys after playtime

Placing dirty clothes away in
hamper

Keeping personal belongings
organized

Cleaning their room/playroom

Mealtime

Help set the table

Clear your own dishes

Cleaning/Gardening

Tidy up their room

Water plants/Pull weeds

Maintain Recycling bin

Reduce! Reuse! Recycle! To **REDUCE** waste, we are acting as responsible citizens of the Earth by printing on both sides. Please do not use another piece of paper for your rain drop. Complete the activity on the back and cut it out as directed. THANK YOU!
