## MESSAGE FROM:

MRS.  
CAUGHEY

### Our Kinder-garden is in full bloom!!

Just as May flowers emerge from the ground, it is beautiful to see our students blossom as well! Students have grown as citizens of our community, readers, writers, mathematicians, scientists, artists, and musicians. May provides students the opportunities to reinforce these foundations and expand fluency, accuracy and independence within each area! It has been exciting to be a part of the start, of the Class of 2037's journey!

## PARENT INFORMATION SESSIONS

**Ms. Jessica Saxon**, Principal, invites parents and guardians that are new to the **Washington School** community to an evening information session. This is an adult only event, held on **May 21**, at 7PM. Washington School is located at 89 Wood St. Please enter through the Washington Ave. doors.

**Dr. Jeanna Velechko**, Principal, invites parents and guardians that are new to the **Lincoln School** community to an evening information session. This is an adult only event, held on **June 3**, at 7PM. Lincoln School is located at 414 Montross Ave. Please enter through the Vreeland Ave. doors.

**A letter from your child's assigned school will be mailed home regarding more specific information regarding this evening event.**

## Let Grow

*LetGrow champions childhood, helping kids build confidence, resilience, and self-reliance through independent play and real life experiences.*

This month, we are challenging our students to learn how to tie shoes. This is a lifeskill that allows independence within their day if not today, in their future. This may be the identified task to work on for this month's Let Grow project or you may work on an additional project! Looking forward to seeing our students continue to grow!

**Last Day of School**

\*Mr. Krebs and Mr. Mateo will be sending home additional information regarding Fun Day and the Vocal Music Concert this month.

## Playground/School Grounds

Parents/Guardians **MUST** actively supervise their child's play after school.

Safety is a priority at all times. Children are aware of the expectations within the school day and are held to them daily. These same expectations have been communicated to parents on numerous occasions.

Children are expected to engage in safe play, **demonstrating appropriate body control and language**, at all times.

Children are still learning how to navigate social experiences and therefore supervision is critical to safety and growth, prioritizing attentive supervision of students!

## REMINDERS

### Spring Fashion

Please dress your child in layers to ensure that your child is comfortable in air conditioned classrooms and for outside activities. Don't forget to label their clothing!

Slides, backless sandals and flip flops are not appropriate for school. Your child may not be able to participate in their lunch recess or class recess if their shoes pose a safety concern. Please also be sure that tops are appropriate for school. Undershirts and camisoles are not appropriate shirts to be worn in school!

### Pre-Order Plant Sale

The PTA's spring plant sale is up and running. Orders due by May 5. Pick-up is on Friday, May 9 at dismissal on the front lawn. Information has been shared by the Kindergarten Center PTA.

## HEALTH OFFICE

### Allergy Season

If your child significantly suffers from allergies and needs medication administered during the day, please be sure to have your doctor complete the orders for administration and provide the medication with the orders to the nurse. Please contact Nurse Erica for additional information or with any questions.

### Injuries

Remember to also communicate any injuries that a child may have that may limit their participation within the school day-ie stitches, sprains, breaks, etc! Any help with tissues would be appreciated as well! Please consider sending some in with your child!
