

KINDERGARTEN NEWSLETTER

October 2025

September Summary

Handwriting

We learned about vertical and horizontal lines to make letters and numbers. Each stroke starts at the top and left to right. Please practice writing name with only the first letter as an uppercase.

Number Knowledge

The students enjoyed activities that allowed them to collaborate in groups and explore numbers through 5!

Community

We are safe!

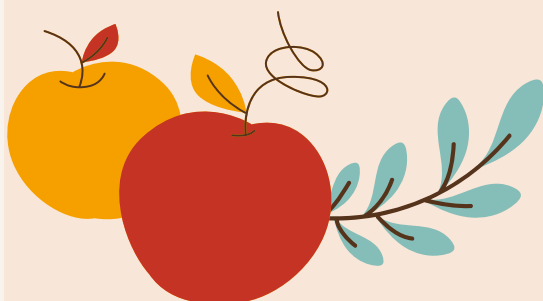

We are kind!

We are brave!

Simple rules to follow as classroom and school communities are established. First Responders visited as we recognized their community roles!

Daily Meeting

Each day students practice calendar skills, numbers, weather, money, and share community news.
