

Dear Kindergarten Families,

As we begin discussing the different winter holidays celebrated by families, we would love to include your child's own traditions in our conversations. To help us do this, we kindly ask for your participation in a brief activity.

Please:

1. **Help your child choose a photo** of themselves participating in a winter holiday tradition your family celebrates.
2. **Complete the sentence** on the attached paper by writing which winter holiday your family observes.

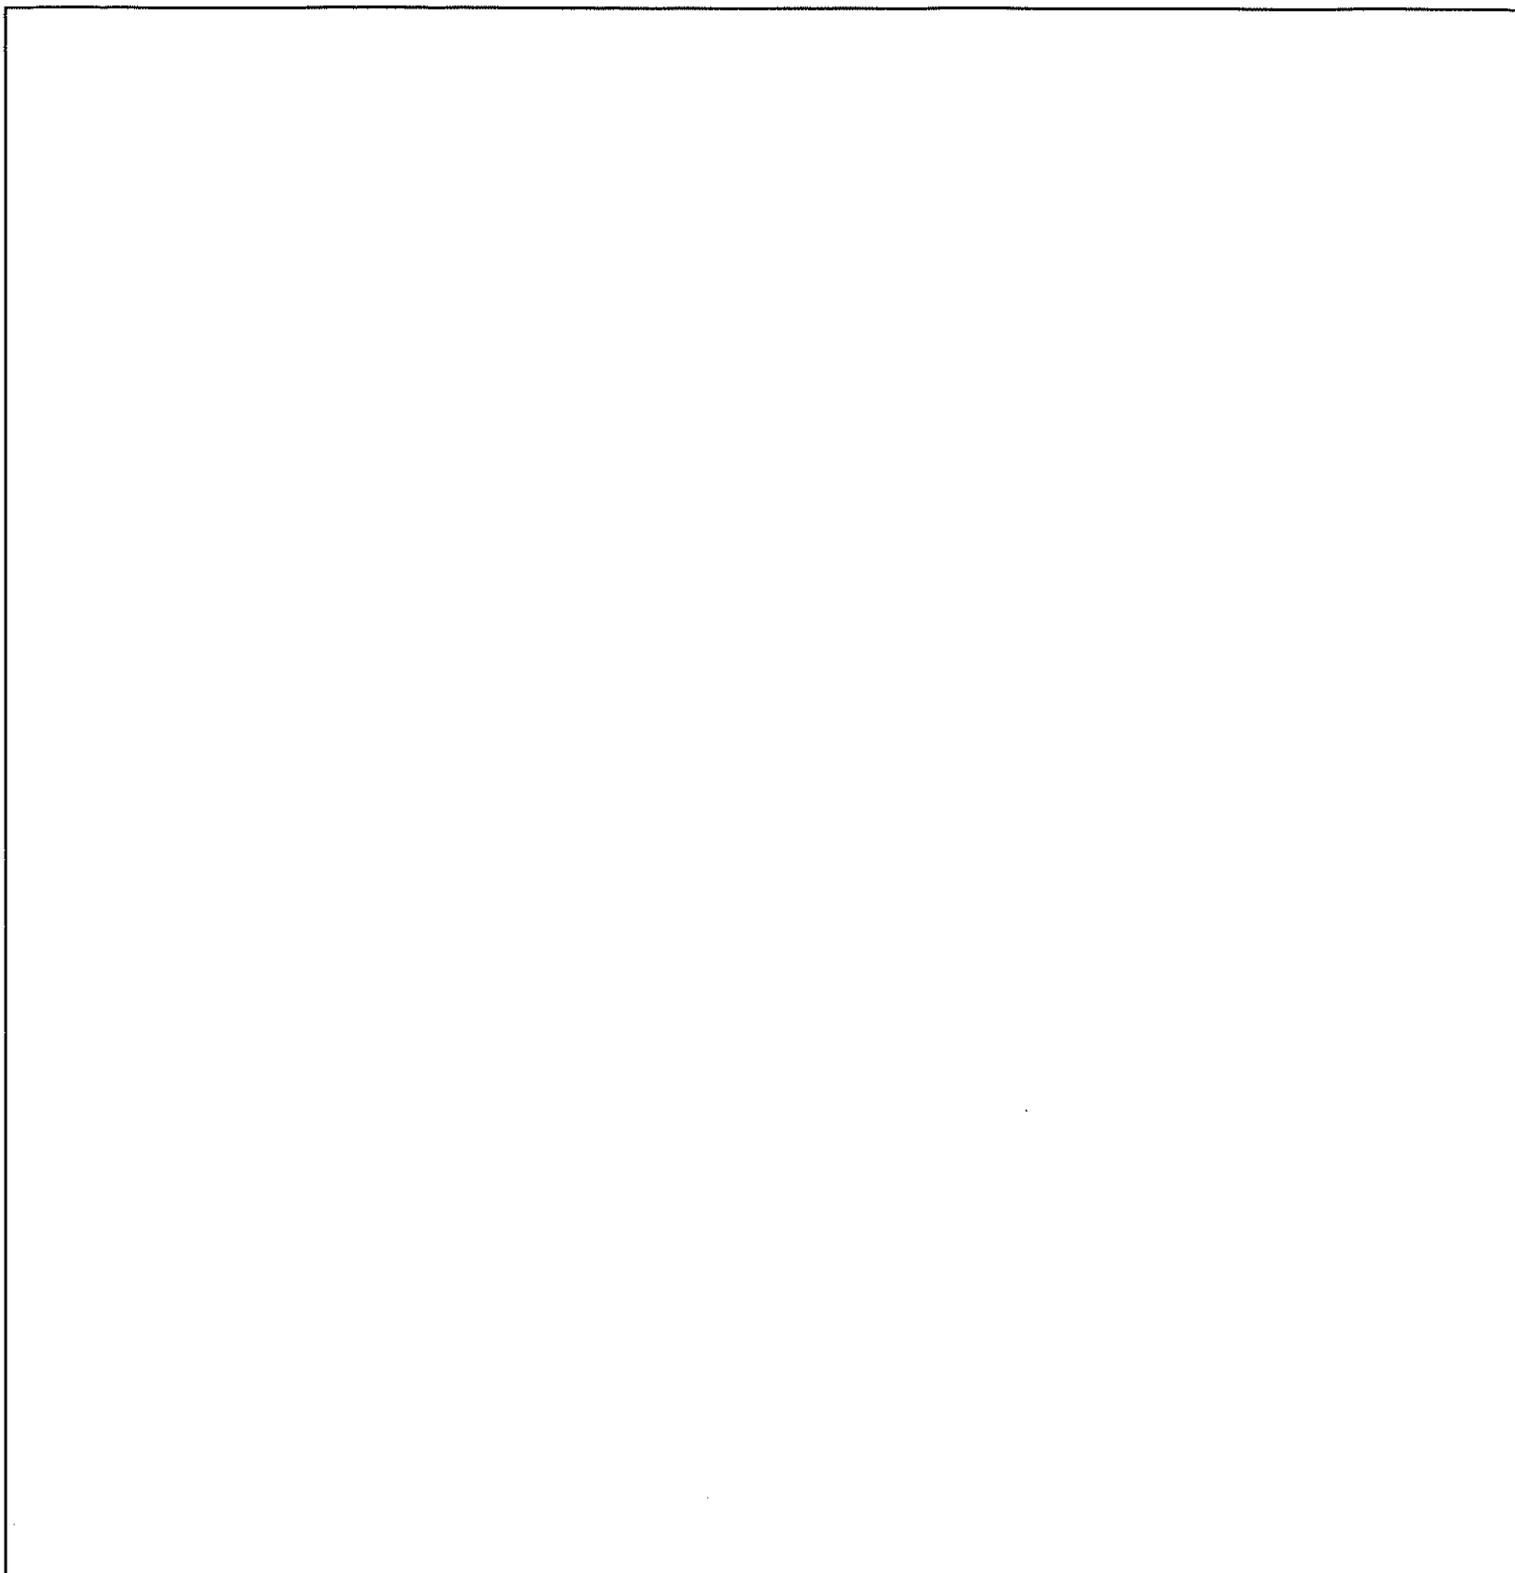

When finished, please return the paper to school. Each child will have the opportunity to share their traditions with the class.

Please send the completed **Family Traditions** paper back to school **by Monday, December 15, 2025.**

Thank you for your support!

Name: _____

In the winter, I celebrate
