

 Washington School PTA  Lincoln School PTA  Kindergarten Center PTA 

PLAYGROUND FUNDRAISER

We are excited to begin fundraising to create **brand-new playgrounds** for our children at **Kindergarten Center, Lincoln School, and Washington School** – spaces where today's students, and generations to come, can play, grow, and make memories of their own.

These schools have always been more than **just buildings**; they are places filled with laughter, friendships, and childhood memories that last a **lifetime**. Each of these schools holds a special place in the hearts of so many families past and present.

To thank our supporters, families and businesses who donate will be recognized on our **Playground Donor Recognition Wall**:

-  **\$150+ Donation** – Your name will be included on a group recognition plaque
-  **\$250+ Donation** – Receive an individual **paw print** featuring your family name(s)
-  **\$500+ Donation** – Businesses will receive a larger paw print, displayed in a more prominent color on the wall

Each paw print represents a family or business that believed in our schools and helped bring these playgrounds to life – a permanent reminder of the community that made it possible.

No matter the amount, every **donation** matters. Your generosity will help create a joyful, safe, and welcoming space where children from all three schools can simply be kids for many years to come.

Thank you for supporting **Washington School, Lincoln School, and the Kindergarten Center**, and for helping us build something truly special for our children.
