

Dear Parents and Guardians,

In honor of Veterans Day, our kindergarten students will have the opportunity to participate in a special project to recognize and thank the brave men and women who have served in the military.

Each student may complete an "Honor Wall Brick" to celebrate a veteran they know – a family member, friend, or neighbor who has served. **If you would like to participate, please email your child's teacher, and a project will be sent home in their homework folder.**

- On the banner, write the veteran's name.
- In the oval, have your child draw a picture of the veteran.
- On the "Honored By" line, have your child write his or her name.
- Have your child color the bricks red and decorate the rectangle using red, white, and blue.

We will proudly add each brick to our School Honor Wall as a way to show our gratitude and respect for all who have served. If you would also like to send in a photograph of your recognized veteran, please do!

Thank you for helping us teach our students the importance of honoring our veterans!

Please return by Wednesday, November 11th.
