

FOR FIRST and SECOND GRADE FAMILIES

June 2017

Dear Parents/Guardians,

The Reading Specialist Team at Lincoln School has created the Summer Reading Challenge for 2017. These activities will help promote reading and comprehension skills to avoid the “summer slide.” We encourage students to read 15-30 minutes five days a week to keep their skills sharp.

There are a few reading incentive activities that reward students for their efforts. Parent links and guiding information are provided. Please take advantage of your child’s Reading A-Z account and the Rutherford Public Library this summer. You can also view our websites for more information. Don’t hesitate to contact us if you have any questions.

Happy Reading!

Darlene Monochello, Paula Risoli, and Nicole Uryniak
Lincoln’s Reading Specialists

Summer Reading Challenge

How many different genres of books can you read?
Check off each genre as you finish each book.
