

# High School Planning

September 2015

Dear Eighth Grade Parent/Guardian,

This is an important decision making year for you and your eighth grade student. This school year, information will be presented regarding the courses and programs available at Rutherford High School [www.rutherfordschools.org](http://www.rutherfordschools.org). Every eighth grade student will have an individual conference with their High School Counselor where long and short-term goals will be discussed and a tentative schedule of courses for their freshman year at Rutherford High School will be selected.

If you would like to explore high school options other than Rutherford High School, below is important information to help you with the process. Please check specific school websites to verify that information is the most current.

I look forward to working with you and your child in planning a challenging and rewarding high school experience.

Sincerely,

Elana Rudnick, School Counselor

## **GENERAL OPEN HOUSE / ADMISSION INFORMATION**

Rutherford High School
