Look What We Learned

IN GRADE 1 ...

Turkey Time! 🦃 First graders enjoyed getting ready for the Thanksgiving season. Stories read aloud in class had students giggling about ways a turkey can disguise himself...so he won't be the main course on Thanksgiving Day. Making plans to catch a turkey, led to some creative ideas, too! Projects that included turkey hats, floats, and balloons for our annual parade also brought a lot of excitement to the first-grade classrooms.

IN GRADE 2 ...

Second Graders Are Full of Gratitude - While learning about the history of Thanksgiving, 2nd-grade students have been reflecting on how to show gratitude for everything they are thankful for in their lives.

Narrative Writing - Our narrative writing unit wrapped up. Students enjoy publishing their favorite book and sharing it with their classmates

IN GRADE 3 ...

Multiplication Madness! Third-grade students continue solidifying their understanding of multiplication by applying multiplication properties. (commutative, associative, and distributive properties).

Celebrating Diversity - In December, students will be exploring diversity within communities. This will culminate into a holiday research project!

IN ART CLASS ...

Art Room Happenings ... The year started with the Square 1 Art Fundraiser for all grade levels. Square 1 Art will be displayed at our Art Show in May. Soon the hallways will be covered with huge Nutcrackers created by our Grade One students.

Word of the Week

12/2-12/6 compassion

12/9-12/13 forgiveness

12/16-12/20 joyful

Reminders

Recess - As the weather gets colder, we want to remind you that students should come to school prepared with, coats, gloves, hats, and other warm clothing. We aim to have outdoor recess as often as possible, to ensure our students get fresh air and activity time.

Lost & Found - Please label all your student's belongings with their name. Our Lost & Found is filling up quickly. Remember - Lost & Found is outside on the blacktop the last Friday of every month.
