

# JULY 2023

SUNDAY      MONDAY      TUESDAY      WEDNESDAY      THURSDAY      FRIDAY      SATURDAY

						1
2	3 Write your first and last name.	4 Happy 4 <sup>th</sup> of July!	5 Practice printing all of your letters (both uppercase and lowercase letters.)	6 Skip count by 2s to 20. Skip by 5s to 20. Skip count by 10s to 100.	7 Make 2 groups. Count how many in each group and figure out which group is greater and fewer.	8
9	10 Read a story. Identify the setting, characters, problem and solution.	11 Create silly rhymes.	12 Read a story. Use your own words to retell the story to someone.	13 Practice adding (putting two groups together) using numbers 1-10.	14 Recognize simple mathematical symbols. +, -, =.	15
16	17 Practice writing complete sentences with correct capitalization and punctuation.	18 Practice reading and spelling all Red Words from memory.	19 Practice following multistep directions.	20 Remember digraphs are 2 letters that make 1 sound! Practice the following digraphs: th, ch, wh, sh.	21 Read a fiction book. Identify the setting and characters.	22
23	24 Tell someone the steps on how to get ready for school.	25 Find a book. Who is the author? Who is the illustrator?	26 Practice putting papers in and out of a folder independently.	27 Tell the difference between facts and fiction.	28 Practice subtracting (taking away from one group) using numbers 1-10.	29

# AUGUST 2023

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
30	31 Recall sequence of events in a story (first, second, third, ending).	1 Find a quiet spot to sit and read for at least 10-15 minutes.	2 Practice copying a sentence from a book.	3 Practice retelling a fairytale that has been told.	4 Practice drawing people, animals, and settings.	5
6	7 Visit the Rutherford Public Library and pick out a book to read. Is it fiction or nonfiction?	8 Practice opening your snack/lunch items (chips, juice boxes, etc.).	9 Practice holding a pencil, crayon, or marker correctly.	10 Practice taking turns and sharing with someone at home.	11 Say the four seasons and their different climates.	12
13	14 Practice saying the Month and day of your birthday.	15 Use objects or draw pictures to help show addition and subtraction.	16 Use scissors and glue to create a project of your choice.	17 Practice playing a board game where you take turns, like Candy Land.	18 Practice tying your shoes!	19
20	21 Practice knowing the difference between living and non-living things (a plant vs. teddy bear).	22 Practice putting papers in and out of your folders neatly.	23 Name the person, place, thing, or idea in a picture.	24 Give information about an event, topic, or opinion by drawing, talking, and writing about it.	25 Follow the rules of conversation by listening and taking turns talking.	26
27	28 Create a morning routine for school days.	29 Count how many objects are in a group (one by one) and compare it to another group to figure out which is greater or less than the other.	30 Use objects to show how to break up numbers to 10 in more than one way (for example, 8 erasers = a group of 2 and a group of 6).	31 Write and illustrate a sentence that tells about a summer adventure!	<p>It's September! Best of luck in 1<sup>st</sup> grade! We will miss you!</p>
