RUTHERFORD HIGH SCHOOL
A National School of Excellence

August 2017

Dear Students, Parents and Guardians:

In just a few short weeks the 2017-2018 school year will begin.

Please review the information listed below as well as the enclosed materials:

- We are excited to announce that with the support of the Rutherford Education Foundation, every student will be issued a Chromebook for the 2017-2018 school year. In order for your child to be issued a Chromebook, you must have returned the Student/Parent Agreement for Chromebook Use. If you did not return the agreement, a separate notification will be sent to you.
- Attached is a copy of the bell schedule. For the 2017-2018 school year, we will be running a four-day rotating block schedule that includes one common lunch period. Once again, this schedule was designed to enable students and teachers to engage in deeper discussion and hands on project based learning activities.
- **A voluntary orientation for incoming freshman will be held on Thursday, August 24 at 10:00 a.m.** Members of the class of 2021 should report to the auditorium. The program will end by noon and schedules will be distributed to the ninth graders who attend.
- A ninth grade parent orientation meeting will be held on Thursday, September 14 at 6:00 pm in the auditorium. This will be a very informative meeting regarding school rules, procedures, activities, programs, and academics. The meeting will last approximately forty-five minutes. To avoid having parents out on multiple nights, this will take place the same night as Back to School Night.
- The **first day of classes** for all students will be **Thursday, September 7.** Homeroom assignments will be posted at building entrances. Homeroom begins at 7:55 am, students will receive their schedules at that time, and will follow the "A Day" schedule.
- The Parent Portal will be open to all parents. The portal allows you to view your child's grades and attendance. We will remind you in the middle of each quarter to check your child's progress. We no longer distribute report cards in school. You will be notified of the date quarter grades are finalized. At that point you may check the Parent Portal for the electronic grade report. Please contact the guidance office if

you do not have Internet access and we will mail progress reports and report cards to you.

- Students with outstanding obligations from the 2016-2017 school year will not receive a schedule on opening day. Please clear any obligation in the guidance office prior to the beginning of school; otherwise, students will be expected to clear their obligation on opening day which may mean a delay in attending classes.
- Summer reading and summer math assignments are mandatory. Please be sure all work is completed.
- In June all students received individual course lists for 2017-2018. No schedule changes will be made after school opens in September. Guidance counselors will be available August 28 through September 1.
- If a student wishes to participate in the fall sports program, cheerleading or the band and did not have a physical, he/she must contact his/her physician for the examination. Please contact the athletic office for further information.
- Back to School Night will be September 14 at 7:00 pm.
- The PSAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) for juniors and PreACT for sophomores will be offered on October 11, 2017. There will be no cost to juniors or sophomores.
- Although June is a long way off, we remind you that the attendance policy is in force the entire year and that requests for absences or early release cannot be honored, so plan your vacations, trips, summer camps, and jobs after the closing of school.
- Our *Handbook/Planner* is available online. Please review and familiarize yourself with **updated policies and procedures** regarding attendance, tardiness/demerit system, dress code, substance abuse, fighting (violence), bullying/harassment, as well as other rules/regulations. These rules help us create a safe and effective learning environment.
- For students in grades 10 and 12, the Rutherford Public Schools in collaboration with the Rutherford Community Prevention Coalition will be issuing a student survey regarding behavior towards drugs and alcohol. In order for your child to participate, please complete the attached form and return it to school no later than September 15.

I hope the remaining days of summer are relaxing and enjoyable. I look forward to seeing the students on Thursday, September 7.

Sincerely,

Frank Morano
Principal

RUTHERFORD HIGH SCHOOL
A National School of Excellence

August 2017

Dear Students, Parents, and Guardians:

Students who are assigned central detention and fail to attend will accrue demerits.

A student will receive central detention for being late to school or for various other school infractions. Retroactive notes will not be accepted.

If a student does not attend central detention, he/she will be assigned one demerit. If a student accumulates five or more demerits, the student will be listed as ineligible for all extra-curricular activities. The student will remain ineligible until the demerits are satisfied through attending central detention, based on the equation of one central detention for one demerit.

When the demerits reach a point of zero, the student will be removed from the ineligible list. Demerits will be cumulative throughout the current school year and will be rolled over each school year. Only the principal or his/her designee will assign demerits. The ineligible list will be accessible through the attendance office. Please be advised that ineligible students may not participate in any extra-curricular activity including the senior prom and the graduation ceremony.

Central detention will be held three times a day, from 7:30 am to 7:50 am, 11:30 am to 11:50 am, and again at 2:55 pm to 3:15 pm. Students have the option of attending any or all.

Sincerely

Frank Morano

Dear Parent or Guardian,

As we plan for another year of school and make preparations for new classes, one consideration is the purchase of school supplies. Technology has become an integral part of our lives. In courses such as mathematics and science, it has become indispensable.

One of the tools that individual students must master is the use of the calculator. This mastery will enable students to visualize functions and make inferences about mathematical data. Using a calculator is a skill that should be practiced often to make maximum use of this technology.

For this reason, all students at Rutherford High School should purchase their own calculator for use in Mathematics and Science classes, as well as other technology courses. The purchase of a graphing calculator will be beneficial for the student, not only throughout high school, but throughout college years as well.

The Mathematics Department recommends the purchase of one of the following calculators:

TI 83+ Graphing Calculator - ~ \$ 90.00 (general recommendation for most mathematics students. Can be used for four years of high school and beyond)

TI 84+ Graphing Calculator - ~ \$95.00 (also widely used in high schools and in colleges)

TI 89 Graphing Calculator (for students in honors level courses who are planning to take AP Calculus) - ~ \$150.00

This calculator is acceptable, but not recommended:

TI-30 Calculator - ~\$15.00 (for students who cannot/will not purchase the higher level calculators. This does four functions plus trig functions, no graphing capabilities)

There are some calculators available for student use in mathematics classroom. Please be aware, however, that the use of a calculator only during the class period, while helpful, does not allow a student sufficient familiarity with the calculator processes for successful use on assessments and standardized tests.

If you have any questions about the curriculum or the use of technology, please feel free to contact me.

August 2017

Dear Parent or Guardian,

Fundraising has become an ever-present reality of school life. Parent groups, booster associations, community organizations, and school clubs are often knocking on the same doors asking for support. Each grade level of the high school raises funds to alleviate and offset costs in senior year. The goal of each class is to raise enough money to get a "free" yearbook, a "free" cap and gown, and a reduced prom bid. To do this, the class needs to raise well over \$20,000.

To accomplish these objectives we will be collecting class dues. Dues may be paid all at once or over the course of the student's enrollment at \$20 intervals. **The total dues for four years is \$80.** Students who do not pay dues will incur a partial charge for their senior yearbook. We will hold one fundraiser for each class, the Senior Fashion Show, during the senior year. This fundraiser is a community event and raises a great deal of money. The combination of the dues and senior fashion show will provide enough money to cover senior expenses. Your class advisor has the record of any payment already received and will be contacting you with that information.

Please review the enclosed sheet and follow the instructions. If you have any questions, please contact your class advisor or Mr. Morano.

Sincerely,

Frank Morano
Principal

Email:rutherfordhsmusicboosters@gmail.com

Do you have a student in the marching band or color guard?

Maybe a student in the concert band?

How about a student in the choir?

Then we need YOU to join the Rutherford High School Music Boosters!

The RHS Music Boosters raise funds to support band and choir activities, subsidize trip costs, and provide annual scholarship awards to graduating music students. (Seniors: To be eligible for scholarships, families must be a member by March 1). We even have individual accounts for each student - for example, if your child sells candy during our Gertrude Hawk sale, they'll get credit for their sales which will help them pay for trips, etc. We hope that every family with a child in the choir, concert band or marching band/color guard joins the Music Boosters!

Dues are \$20 annually per family. Marching band student dues are \$40 per family **AND ARE MANDATORY** (they automatically include Booster Membership). Please make checks payable to RHS Music Boosters (no cash, please).

PLEASE PRINT CLEARLY AND RETURN TO MR. KINNE OR MRS. BLANCHARD AS SOON AS POSSIBLE.
