

Thanksgiving Holiday Travel Concerns

Thanksgiving and the Winter/Holiday Recess in December have traditionally been times of travel for some families. In light of existing and growing concerns, please give serious consideration to Governor's Murphy's guidance that only essential travel takes place.

If you do plan to travel this week, please check the travel restriction advisory list and inform us ahead of time that you will be traveling out of state. Transparency is extremely important as travel decisions can affect the well-being of others and our success as a school. If a quarantine is required, your child will move to the fully remote cohort for the duration of the quarantine period.

We all have to do our best to keep ourselves and others safe and healthy now and throughout the holiday season.

Mr. Mulcahy
