## **Band and Choir Combined**

### **I. Introduction/Overview/Philosophy**

Band and Choir Combined provides students with the opportunity to engage in the study of instrumental *and* vocal performance concurrently during grades 7 and 8. Students will alternate band and choir classrooms facilitating instruction in all areas of instrumental & vocal performance. Intonation, tone, technical facility, breath control, ensemble playing/singing, phonation, formation of vowels and consonants, rhythm accuracy, and sight-reading of music are emphasized. The music selections challenge students to develop their expertise as instrumentalists and vocalists in a cooperative environment. Successful completion of this course will prepare students to advance to a high school setting. In addition to the daily classroom instructional period students will attend one individual/small group pull out lesson a week on a predetermined rotating basis.

Also available to students in Band and Choir Combined are extracurricular activities including: Pep/Parade Band, Jazz Ensemble, and various chamber ensembles and solo opportunities.

This course is designed to meet the needs of students in grades 7 and 8 who excel in the musical arts.
