To: Parent(s)/Guardian(s)

Re: Union Middle School Orientation and Programming

Dear Parent(s)/Guardian(s):

The administration and guidance department will hold the Union Middle School Orientation *for the current sixth-grade students of Pierrepont on Wednesday, February 18th, in the morning and afternoon.* The inclement weather date is Wednesday, February 19, 2026. During their visit, students will have an opportunity to become acquainted with Union Middle School by touring the building and reviewing the Curriculum Guidebook. Bus transportation will be provided for students from Pierrepont School to Union Middle School and back.

We will conduct the same presentation in the Union Middle School auditorium starting at 7:00 p.m. on *Thursday, February 5, 2026, for the parent(s)/guardian(s) of students attending Union Middle School in September 2026.* The inclement weather date is Wednesday, February 11, 2026. Please enter the building through the double doors located near the pillars.

I strongly recommend you attend this event to learn about the programs and opportunities available for your child at Union Middle School. Once the presentation has concluded, we encourage you to sit down with your child during the week to choose electives and alternatives.

Please be aware that due to occupancy constraints for the auditorium, parent(s)/guardian(s) will not be able to attend the February 18th student orientation, but should plan to attend the same presentation during the evening of Thursday, February 5th.

The scheduling process for next year will begin on March 2nd and conclude on March 10th. The scheduling process will take place in Pierrepont's Guidance office. Parent(s)/Guardian(s) do not need to be present for the scheduling meeting, as electives and alternatives will be chosen before the meeting.

We look forward to meeting all of you on Thursday, February 5th.

Sincerely,

A handwritten signature in dark ink that reads 'Kurt Schweitzer'. The signature is written in a cursive, flowing style.

Mr. Kurt Schweitzer
Principal
